

About Us

Welcome To Deer Park Stairbuilding's website. We are a third generation family owned company located on Long Island, NY. We have been supplying the tri-state area with premium quality stairways for over 50 years.

We provide stairs, rails, and complimentary millwork for Homeowners, Contractors, Production Builders, and Custom Homebuilders. Our customers keep coming back for our quality, craftsmanship, design, and attention to detail. As a full service stairbuilder, we can design and build the staircase of your dreams.

In the following pages, you will see some of our projects in various stages. We look forward to assisting you with your stair designs in our showroom. Thank you for taking the time to visit our website.

Thank
you,
The Souto Family
